RCM CAD Design

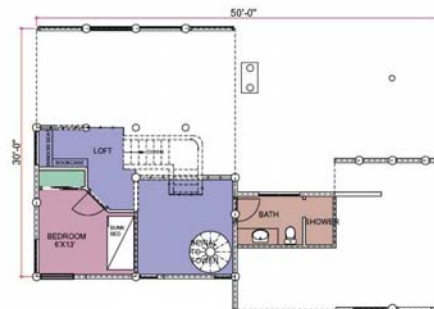

The Gilmore

The Gilmore is a beautiful log post and beam design, available in large profiled milled logs or handcrafted logs. This plan offers two bedrooms, one full and two half baths, a gabled porch and wrap around deck, and features a third storey loft/lookout tower. A two sided fireplace and open floor plan help make this a wonderful selection for all seasons.

From our *Handcrafter's Selection*, premium materials, affordable pricing.
